

## **Spirit of the 8 Clubs 30<sup>th</sup> October 2016**

The Eight clubs race meetings were highlights of the club racers' year and attracted 250+ cars of assorted types. Sadly they stopped after the 50<sup>th</sup> Anniversary in 1999.

This event recreates the format from those meetings and it is hoped that this will encourage drivers in all types of car to compete in a series of competitions.

The £250 entry fee covers all the track time shown below.

- 1) 10 minute qualifying
- 2) 20 Minute High Speed Trial – Where each driver will be given a target number of laps to complete within the 20 minutes. This will be set at below maximum pace but will require no mistakes in order to meet the target and win an award.
- 3) 10 lap Scratch Race usual format with the fastest car on pole
- 4) 10 Lap Handicap race – staggered start with the slower cars given a time advantage at the start.

Additionally, if time permits there will also be a team handicap race. Teams of three from the same Club will take priority and the three team cars will count towards the result.

The cost will be £45 per team, payable on acceptance of entry during the day.
